This Prendfal Disease—which quaders Life minerable and Marriage impossible—is the penalty paid by the victims of improper indulgence. Young persons are too apt to commit excesses from not being aware of the dreadful consequences that may ensue. Now, who that understands the subject will pretend to densy that the power of procreation is lost sconer by those falling late improper habits than by the pradent. Besides being deprived the pleasures of healthy off-spring, the most serious and desirantive symptoms to both hody and mind arise.
